

North-South Corridor

Northern Connector Project

South Road Superway night works – off-ramp closure and detour

As part of the Northern Connector Project, the South Road Superway off-ramp to the Salisbury Highway will be closed for one night with detours in place.

Work hours: from 8pm Thursday, 5 March, until 5am Friday, 6 March, weather permitting.

Activities: These works will allow for testing of the intelligent transport systems and other works required for the final stages of the Southern Interchange.

Traffic management: Access to the Salisbury Highway will be maintained via a detour to the Hanson Road interchange (refer to map).

Speed and lane restrictions will apply in the vicinity of the works, including the South Road Superway. Signage and traffic management will be in place to advise motorists of changed conditions.

Thank you for your patience while these important works are undertaken.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
