

North-South Corridor

Northern Connector Project

June 2018

Port Wakefield Road, Bolivar – night works and speed change

As part of the Northern Connector Project, the Department of Planning Transport and Infrastructure (DPTI) advises that night works will be undertaken on Port Wakefield Road at Bolivar.

Location: Port Wakefield Road between Hodgson and Bolivar Roads (refer to map).

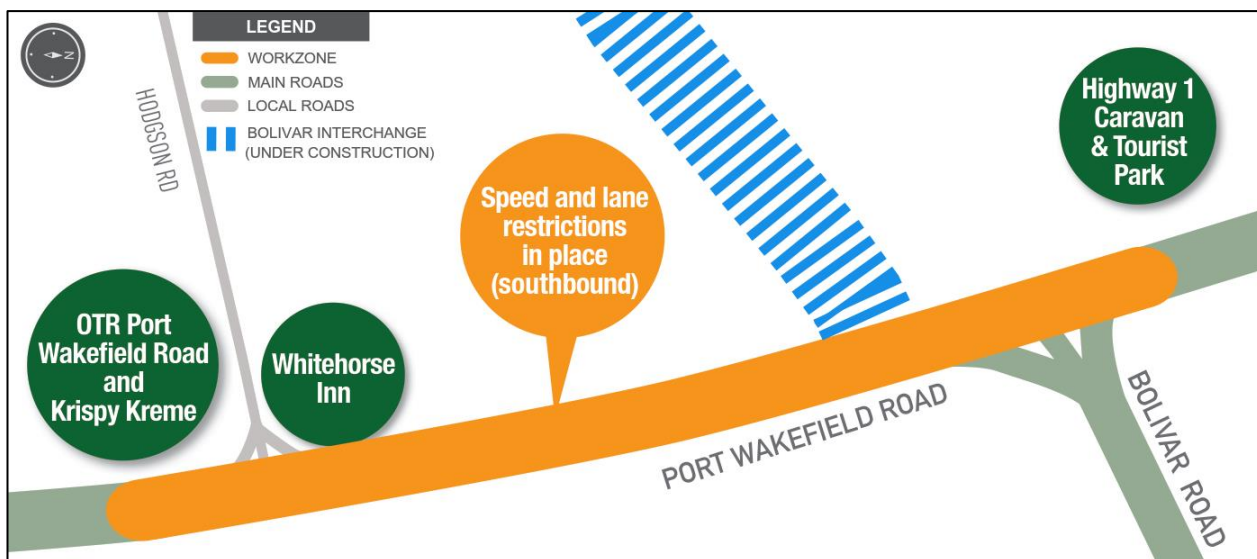

Commencing: Wednesday 20 June 2018 for 2 nights, weather permitting.

Work hours: Between 8pm and 5am.

Activities: Placement of safety barriers adjacent to Port Wakefield Road.

Traffic management: Lane and speed restrictions will apply on Port Wakefield Road for north and south bound traffic in the vicinity of the works. Signage and traffic management will be in place to advise motorists of changed conditions.

Following these works, southbound traffic will operate under an 80km/h speed restriction to safely accommodate the construction of the Bolivar Interchange.

Thank you for your patience while these important works are undertaken.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
