

North-South Corridor

Northern Connector Project

South Road Superway night works – off-ramp closure and detour

As part of the Northern Connector Project, the South Road Superway off-ramp to Salisbury Highway will be closed for one night.

Work hours: Overnight from 8pm, Wednesday, 24 July, until 5am, Thursday, 25 July, weather permitting.

Activities: Movement of safety barriers, installation of services and removal of existing line markings.

Traffic management: Access to the Salisbury Highway will be maintained via a detour to the Hanson Road interchange (refer to map).

Speed and lane restrictions will apply in the vicinity of the works, including the South Road Superway. Signage and traffic management will be in place to advise motorists of changed conditions.

Thank you for your patience while these important works are undertaken.
