TORRENS ROAD TO RIVER TORRENS PROJECT – NIGHT AND WEEKEND WORKS FOR SOUTH ROAD INTERSECTIONS WITH TORRENS ROAD AND HAWKER STREET

As part of the \$896 million Torrens Road to River Torrens Project, the T2T Alliance will be undertaking night and weekend works on South Road at the intersections with Torrens Road and Hawker Street.

Torrens Road

Night and weekend works will be undertaken to install the last of the eight bridge beams for the new Torrens Road bridge at the intersection with South Road.

Temporary traffic arrangements from **7pm Friday 18 August to 6am Monday 21 August 2017**, weather permitting:

- No through traffic will be permitted in either direction on Torrens Road at the South Road intersection.
- Eastbound (towards the city) motorists on Torrens Road will be required to:
 - turn left onto South Road to use the u-turn facility at Tait Street to head back south, and then turn left on to Torrens Road.
- Westbound (towards the beach) motorists will be required to:
 - turn left onto South Road to use the u-turn facility at Dartmouth Street to head back north, and then turn left on to Torrens Road.
- One lane will be maintained for northbound traffic on South Road between Bedford Street and Tait Street.
- One lane will be maintained for southbound traffic on South Road between Tait Street and Dartmouth Street.

Hawker Street

Night and weekend works will be undertaken to switch traffic on to the new bridge at the South Road intersection with Hawker Street, Ridleyton.

Temporary traffic arrangements from **7pm Friday 18 August to 6am Monday 21 August 2017**, weather permitting:

- Hawker Street will be temporarily closed at South Road.
- Speed restrictions on South Road will apply.
