

North-South Corridor

Northern Connector Project

Port Wakefield Road traffic switch and opening of the Northern Expressway temporary on-ramp

From 5am, Monday 15 April, northbound traffic on Port Wakefield Road, between Calvengrove and Old Port Wakefield Roads, Waterloo Corner, will switch to the recently removed median and the southbound lanes as part of construction for the Northern Interchange (refer to map).

In addition, a new Northern Expressway temporary on-ramp will be opened, maintaining access for northbound traffic travelling from Port Wakefield Road to the Northern Expressway.

Traffic will be maintained in both directions at all times, with signage in place to advise motorists of changed conditions.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
