

# North-South Corridor

## Northern Connector Project

### Port River Expressway continuous closure and detours

#### January 2020

The Port River Expressway will be closed to traffic in both directions between Hanson Road and the Salisbury Highway for approximately 8 days in January 2020. This closure will occur after the South Road Superway is re-opened.

**When:** The closure of the Port River Expressway will occur, weather permitting from:

- **8pm Sunday, 12 January until it re-opens at 5am Monday, 20 January 2020.**

Access will be maintained with detours via Hanson Road, Grand Junction Road and the South Road Superway, refer to map. Signage and traffic management will be in place to advise motorists of changed conditions. Delays may be experienced, so please plan ahead.

**Activities:** This closure will allow for final stages of works for the Southern Interchange including barrier removal, lighting, asphalt works, new line marking and installation of guard rails.

**Traffic switch:** When the Port River Expressway is re-opened to traffic, eastbound traffic (leading onto the Salisbury Highway) will switch onto the newly constructed bridge as part of the new Southern Interchange. Please follow directional signage. The Port River Expressway west bound traffic will not be affected.

Thank you for your patience while these important works are undertaken.

#### More information:

To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to [northernconnector@lendlease.com](mailto:northernconnector@lendlease.com).
