

North-South Corridor

Northern Connector Project

August 2018

Waterloo Corner Interchange – day and night works

As part of the Northern Connector Project, works will continue in the vicinity of the Port Wakefield and Waterloo Corner Road junction for the construction of the Waterloo Corner Interchange.

Location: Port Wakefield Road between St Kilda and Undo Roads, Waterloo Corner (refer to map).

When: Continuing until late November (weather permitting).

Work hours:

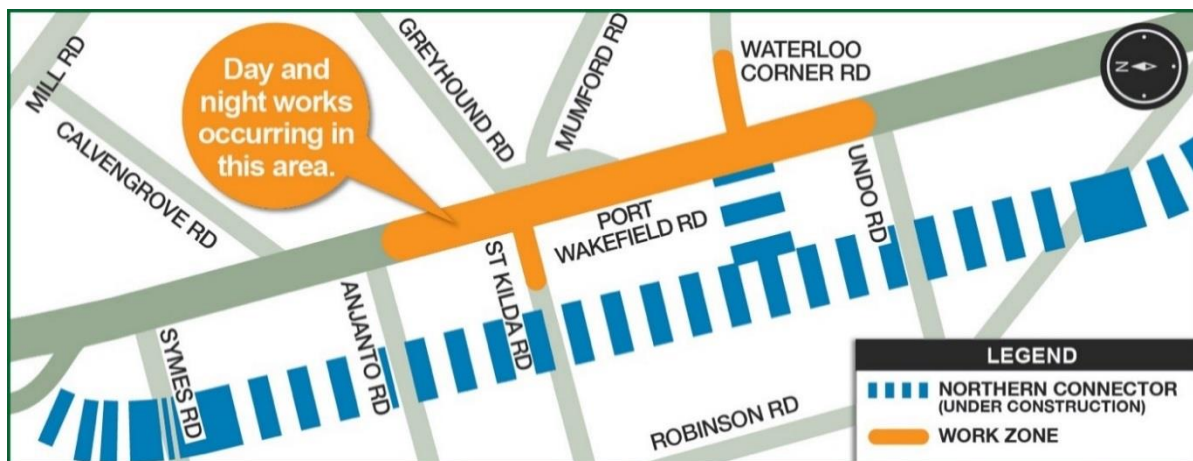

- Day works Monday to Saturday 7am – 5pm
- Night works Monday to Thursday 6pm – 5am
- Sunday works 3pm - 5am

Please note, works will not be undertaken on Friday and Saturday nights.

Activities: Trenching for the installation of new traffic signal conduits, pavement works and line marking.

Traffic management: Speed and lane restrictions will be in place with increased frequency. Traffic will be maintained in both directions at all times. Signage and traffic management will be in place to advise motorists of changed conditions.

Please note, southbound traffic in this area will now operate under a 60km/h speed restriction to safely accommodate construction of the Waterloo Corner Interchange.

Contact the Project Team on 1300 916 221 or northernconnector@lendlease.com if you would like to sign up for regular project updates.

For real time roadwork information visit www.addinsight.com.au and download the app, available for both Apple and Android, or visit the Traffic SA website at www.traffic.sa.gov.au.

Thank you for your patience while these important works are undertaken.
