

# North-South Corridor

## Northern Connector Project

November 2018

### Port Wakefield Road / Bolivar Road – Night works

As part of the Northern Connector Project, the Department of Planning Transport and Infrastructure (DPTI) advises night works will be undertaken in the vicinity of the Port Wakefield Road and Bolivar Road junction.

**Location:** Port Wakefield Road and Bolivar Roads, Bolivar (refer to map).

**Commencing:** Sunday 25 November 2018, for approximately 4 nights, weather permitting.

*Please note, works will not be undertaken on Friday and Saturday nights.*

**Work hours:** Between 7pm and 5am.

**Activities:** Installation of safety barriers and line marking.

**Traffic management:** Lane and speed restrictions will apply on Port Wakefield Road and Bolivar Road in the vicinity of the works. Signage and traffic management will be in place to advise motorists of changed conditions.

**Following these works, southbound traffic on Port Wakefield Road will operate under a 60km/h speed restriction to safely accommodate the Bolivar Interchange construction works.**

Thank you for your patience while these important works are undertaken.

**More information:** Further traffic changes will be required in this area in the coming months.
